

10/6/2026

Dear Grant High School Neighbors,

We want to thank you for your continued patience and understanding as we move forward with repairs to our Athletics Building and adjacent areas.

We recognize that the construction work may be disruptive at times, and we truly appreciate your flexibility and support. In addition to the parking spaces already reserved on the north side of US Grant Place, we will need to temporarily hold parking spaces along NE 36th to NE 35th beginning the evening of Thursday, October 8, through Friday, October 9.

These additional spaces are needed to accommodate construction equipment that will be on campus Friday, October 9, as part of the removal of the damaged rooftop equipment.

Thank you again for your continued patience and support as we work through this project. We are hopeful that the overall repairs will be completed in early December.

With appreciation,

James McGee, Principal
